Remarks

Great opportunity to live close to downtown Howell. This home offers a wide open floor plan, with great flow throughout the kitchen, dining and living room. Dining area has a door wall that leads to a large deck and private back yard. Home features 3 large bedrooms, 2 full baths and an attached 2 car garage. This home also offers an unfinished walk-out basement, ready for finishing. Location is great, just minutes from the expressway, shopping and restaurants. Home does need repairs and is being sold as is.
